Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

A Designation of race is optional in Pennsylvania. This data is requested from some states by the Department of Justice in their enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list. AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

B Your Pennsylvania Driver's License is required for voter registration. If you do not have a Pennsylvania Driver's License, you must include the last four digits of your Social Security number. If you do not possess either of these identifications, Pennsylvania will assign a number that will serve to identify you for voter registration purposes.

C Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

D Provide the complete street address of your Pennsylvania voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "2 miles past Highway _____, across the street from the _____ gas station."

This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.

E Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.

F If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections.

G Check ONE box. Please note under 8f: 1) Mental competence is not a requirement to register and vote in Pennsylvania and 2) Reinstatement — in Pennsylvania, once a convicted felon is released from prison, he or she may register to vote.

H You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Pennsylvania and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your County Board of Elections early every year and whenever you change your mailing address (see Chapter 2).

If you are a member of the Armed Forces, you are exempted from registration and the County Board of Elections must receive your FPCA for ballot request anytime before the election. In some cases, however, the County Board of Elections may send you a state Voter Registration Mail Application (VRMA) or a state absentee ballot application if they cannot determine from the information on the FPCA whether or not you meet all the requirements to vote in that county. Either the state VRMA or the state absentee ballot application must be completed and returned with the voted ballot to the County Board of Elections so your ballot for all offices is counted. If the local election official does not receive either application, your ballot will be counted for Federal offices only.

If you are a spouse or dependent of a member of the Armed Forces, or a merchant marine member or a spouse or dependent of a merchant marine member, the County Board of Elections must receive your FPCA for ballot request anytime before the election. If you are not registered you may receive, along with your ballot, a state VRMA. You must complete and return the state VRMA with your voted ballot so your ballot for all offices is counted. If you do not return the state VRMA, the ballot is counted for Federal offices only.

The registration declaration on the Pennsylvania VRMA is accepted for all purposes as the equivalent of an affidavit, and if the VRMA contains a materially false statement, the applicant will be subject to penalties for perjury.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by 5:00 p.m. on the Friday before the election.

Local election officials mail ballots and state registration materials approximately 45 days before the election.

If official absentee ballots are not available at that time, you will be sent a special write-in absentee ballot.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Pennsylvania allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail. The original FPCA must be received prior to the election by the county election office in order for the ballot to count.
- Pennsylvania allows you to receive the blank ballot by fax if you are in a designated hostile fire, imminent danger pay, combat zone or qualified hazardous duty area.
- Pennsylvania does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Special Write-In Absentee Ballot

Pennsylvania provides a state special write-in absentee ballot available 50 days before the primary election and 70 days before the general election if you will be unable to vote during the regular absentee balloting period by reason of military service or living in a remote or isolated area of the world.

The FPCA may be used to request the state special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.E. If no labels are available, write in Item 7: "I am unable to vote during the regular absentee balloting period by reason of living or performing military service in an extremely remote or isolated area of the world. I request a special write-in absentee ballot."

Notify Your Local Election Official About Your Current Mailing Address

The special write-in ballot may be requested at any time before the election.

Vote the special write-in ballot by writing in the names of specific candidates from the list provided.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Pennsylvania and overseas electors. The term “overseas electors” means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Pennsylvania.

- U.S. Government employees overseas and their spouses and dependents (for local, state and Federal office ballots)
- other residents of Pennsylvania temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas electors as defined above (for Federal office ballots only).

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your County Board of Elections early every year and whenever you change your mailing address (see Chapter 2).

If you are a civilian employee of the U.S. Government, or a spouse or dependent of a civilian employee of the U.S. Government, the County Board of Elections must receive your FPCA for ballot request anytime before the election. If you are **not registered** you may receive, along with your ballot, a state Voter Registration Mail Application (VRMA). You must complete and return the state VRMA with your voted ballot so your ballot for all offices is counted. If you do not return the state VRMA, the ballot is counted for Federal offices only.

If you are a registered Pennsylvania elector temporarily residing outside the U.S., the County Board of Elections must receive your FPCA at least 7 days before the election.

If you are an **unregistered resident temporarily residing outside the U.S.**, the County Board of Elections must receive your FPCA not later than 30 days before the election. You may receive, along with your ballot, a state VRMA if the County Board of Elections cannot determine from the information on the FPCA whether you meet all the requirements to vote in the county. The completed state

VRMA must arrive at least 30 days before the election for the ballot to be counted for all offices. If the state VRMA is not received timely, your ballot will be counted for Federal offices only.

If you are an overseas elector who does not meet the state residency requirement, you will receive a ballot for Federal offices only.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

F. Special Write-In Absentee Ballot

Pennsylvania provides a state special write-in absentee ballot available 50 days before the primary election and 70 days before the general election if you will be unable to vote during the regular absentee balloting period by reason of living in a remote or isolated area of the world.

The FPCA may be used to request the state special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.E. If no labels are available, write in Item 7: “I am unable to vote during the regular absentee balloting period by reason of living or performing military service in an extremely remote or isolated area of the world.
